DENTSPLY TRURx
DIGITAL DENTURE PRESCRIPTION

TruRx, The Intelligent Denture System gives everyone a reason to smile:

Dental Professional:

- Provides an interactive, custom denture consultation
- Standardizes and simplifies the denture process
- Enables the denture consultation to be delegated to an auxiliary
- Shows patients their post-therapy image during their FIRST visit
- Helps to drive premium treatment plans
- Enhances lab communications with TruRx detailed prescription

Patient:

- Educates patients for improved understanding and acceptance of the treatment plan
- Shows patients a cosmetic approximation of what they will look like with their new denture
- Helps to ease fears and sets the stage for more positive appointments
